

ABOUT

Licensed by the State of Illinois on May 4, 2000, Advanced Ambulatory Surgical Center is an Accredited- Multi-Specialty, Outpatient Surgical Center centrally located in Chicago.

AASC offers an impressive roster of board-certified specialists. The 10,000 square foot facility accommodates three operating suites and easily accessible free parking.

AASC maintains the highest standards for physicians requesting privileges and will be happy to assist patients in identifying a surgeon best trained to perform their procedure.

Patients visiting AASC will find a comfortable, friendly, professional, and efficient environment with a check-in time of approximately ten minutes.

AASC accepts all major insurance plans and can assist in reducing surgical costs while consistently delivering the highest standard of care and reducing a patient's discomfort and recovery time.

AASC is a member in good standing of the Accreditation Association for Ambulatory Health Care.
